Independence-Freedom-Happiness

COMPANY PROFILE

- Company** : Vietnam TBI Conversion Technology & Production
Joint stock Company (Vietnam TBI ., JSC)
- Address** : No.4 Q30 – Lane: 136, Nguyen An Ninh Street , Tuong
Mai Ward Hoang Mai District, Hanoi, Vietnam
- Tel** : + 84-4 3868 5868
- Fax** : + 84-4 3662 8168
- Email** : vietnamtbi@vnn.vn
- Website** : <http://www.tbi.vn>

INTRODUCTION

Name : Vietnam TBI Conversion Technology & Production Joint stock Company (Vietnam TBI ., JSC)

I. OFFICE :

Head Office:

Address : No.4 Q30 - Lane 136 – Nguyen An Ninh Street, Tuong Mai Ward, Hoang Mai District, Hanoi, Vietnam

Tel : +84 - 4 38 685 868

Fax : +84 - 4 3662 8168

Email : vietnamtbi@tbi.vn

Website : www.tbi.vn

Manufacturer in Nam Dinh

Manufacturer in Hung Yen

Manufacturer in Ha Nam

Director : Nguyen Van Duong

Knowledge : Master

Telephone : (+84-4) 38685868 ; HP : 0913 030 180 - 0988 82 88 99

Fax : (+84-4) 3662 81 68

Established : 2007

Specialize in : Manufacturing, processing accurate Mechanical, conversion technology , supplying equipments, consulting, designing, Installation, Training, Maintenance, Import and Export activity.

II. MAIN ACTIVITY:

1. Supplying Casting Products.

* Supply spare parts for Mechanical & Construction Machines: lip, blade, bit, cog wheels, buss-roller chain.....

* Supply spare parts for mining, cement and mineral Industry: crushing jaw, beater roll, grinding ring, large intestine, breaker ball, bucket wheel ...

Vietnam TBI Conversion Technology and Production., JSC

Add: No4 Q30 – Lane: 136, Nguyen An Ninh Street – Tuong Mai– Hoang Mai - Ha Noi Viet Nam

Tel : + 84 - 4. 38 68 58 68/ 0988 82 88 99

Fax : + 84 - 4. 3662 81 68

Email: vietnamtbi@tbi.vn - hoangduong.tvkt@gmail.com

Website : <http://www.tbi.vn>

* Manufacture a lot of machines for construction, exploitation: ball mill machine, Jaw Crusher machine, Hammer Crusher, vibrating feeder...

2. Consulting technology, Supplying equipment for Casting industry :

- Technology consulting and supply for casting industry
- Middle frequency furnace.
- High Frequency Furnace.
- Supplying all kinds of Cranes.
- Supplying Generator from 15 kVA to 2000 kVA.
- Air compressors
- Measurement and control systems.

3. Supplying chemicals for casting:

- Ferrochrome
- Ferro Mangan
- Silic.....

4. Supplying scientific equipments:

- Environment Equipments: Water analysis, air measurement, light, sound level vibration, earth meter...
- Laboratory equipments
- Analytical equipments.
- Teaching equipments

5. Design of Electric controller systems (Turnkey project)

6. Software designer (Turnkey project)

7. After-Sales Service:

Installation, training, technical application, warranty, maintenance will be executed by engineers who graduated from **Hanoi University of Technology**, Transportation University and Technical University.

Vietnam TBI Conversion Technology and Production., JSC

Add: No4 Q30 – Lane: 136, Nguyen An Ninh Street – Tuong Mai– Hoang Mai - Ha Noi Viet Nam

Tel : + 84 - 4. 38 68 58 68/ 0988 82 88 99

Email: vietnamtbi@tbi.vn - hoangduong.tvkt@gmail.com

Fax : + 84 - 4. 3662 81 68

Website : <http://www.tbi.vn>

III. COMPANY ORIENTATION :

Company Specialize production, sales and services, research investment to increase quality of product and living standard for all people working in our company.

Customer Supply customers with high qualified products and lowest price with perfect after-sales services. Customers will have the best profit when co-operation with us.

Other Partner We establish diplomatic relationship with other partners and we can create the mutual profit to both.

IV. VIETNAM TBI., JSC ORGANIZATION :

No.	Organization	Number of people
A <u>Head Office</u>		
1	Technology Department	3
2	Quality Certificate Department	4
3	Technical Project Department	4
4	Service and after-sales service Dept.	3
5	Investment Department	2
6	Office	4
7	Finance Department	2
8	Vice Director	1
B <u>Manufacture</u>		
9	Manufacturer in Nam Dinh	with 60 engineers and workers
10	Manufacturer in Hung Yen	with 60 engineers and workers
11	Manufacturer in Ha Nam	with 150 engineers and workers

Vietnam TBI Conversion Technology and Production., JSC

Add: No4 Q30 – Lane: 136, Nguyen An Ninh Street – Tuong Mai– Hoang Mai - Ha Noi Viet Nam

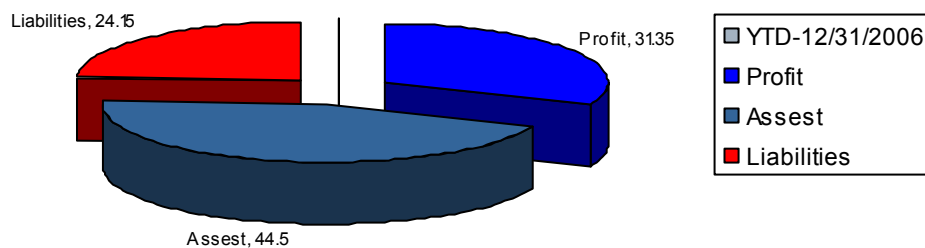

Tel : + 84 - 4. 38 68 58 68/ 0988 82 88 99

Fax : + 84 - 4. 3662 81 68

Lô Cán Dùng Cho Nhà Máy Gạch Nhà Máy Giấy

Handle batch for brick and paper factory

Bánh Gòong Dùng Cho Nhà Máy Gạch

Wagon pies for brick field

Screws for brick machines

Grinding ring, grinding batch

Hầm Nghiền Dùng Kẹp Đá Phục Vụ Cho Nhà Máy Xi Măng Và Đá Xây Dựng

**Masticating apparatus kick
(Crushing jaws for cement factory and building stones.**

Tấm Lót Dùng Cho Nhà Máy Xi Măng

Backing boards for cement and paper factory

Vietnam TBI Conversion Technology and Production., JSC

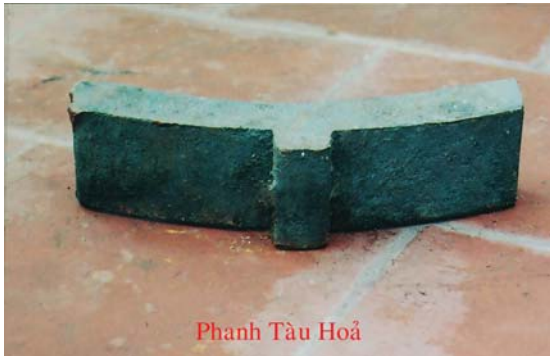

Add: No4 Q30 – Lane: 136, Nguyen An Ninh Street – Tuong Mai– Hoang Mai - Ha Noi Viet Nam
